The University of Oregon Alumni Association's Eastern Oregon Ducks chapter developed this scholarship program with the commitment of supporting Eastern Oregon students at the UO. This scholarship began in 2009 with our first fundraiser at the Let 'er Duck Breakfast during the Pendleton Round-Up, and it has grown every year. The Wildhorse Foundation provided the chapter with the initial seed money to start this fund, and the chapter awarded its first scholarship in 2010.

The Eastern Oregon Ducks feel strongly that the education students receive at the University of Oregon will serve them well in life, and we want to encourage students in their continued success in education.

Distribution of the awards will take place in September, so students will have the funds in time for the start of fall term.

Go Ducks!
